## VIVA LA VOLUNTEERS!

A massive thank you to everyone who volunteered at the 2013 AI3DE. With your help, we put together an event that is being applauded by riders, officials and visitors from all over the world. Hundreds of volunteers make this event happen, and if you were one of them, we'd like to THANK YOU very much - you were the reason the event ran so well.

From marshalls, jump judges, to those providing you with information at the gate, photocopying thousands of results sheets to keep you updated, writing up the results board in the marketplace, replacing jump poles, delivering results, making sure everything happened in the VIP tent, honestly the list of jobs done by volunteers is so long, you'd be surprised and without you, well, without you there simply would be no event.

It could not run without you so wear your ARIAT volunteer shirts with pride throughout this year and if you know someone who volunteered, give them a pat on the back and a thank you for their work. Keep your eyes on the website, we'll be calling for volunteer applications again around March 2014.

## OFFICIAL THANK YOU TO THE OFFICIALS

A massive thank you also to the officials who worked tirelessly not only throughout the weekend, but for many months prior to the event.

Members of the Organising Committee devote hundreds of hours of their time to working through every detail of the event, and when it's over (like now), they're meeting again to debrief, review, improve and build an even bigger, better AIHT in 2014.

Thank you all so much for your energy, efforts, enthusiasm and encouragement and your support of Australian (and international) eventing

## NO PARTY WITHOUT PUNCH!

The headline is an old saying and the "punch" at our party is the fabulous horses, riders, owners, grooms and families who travel from near and far to compete.

The athleticism of horses and riders competing feverishly at this level is inspiring and we appreciate the hours and hours and hours of training and work that goes into bringing a horse to this level of the sport.

Thank you for inspiring those of us with horses to be better, to work harder and to appreciate that we're all part of this fabulous equestrian world.

Horseland CCI\*\* winner Cassie Lowe
